

# How Should a Christian Handle Past Adulterous Relationships and Children Born Outside of Marriage After Converting to Christianity?

Sixbert SANGWA • April 15, 2024

## Introduction

Life is a journey filled with choices, wrong turns, and opportunities for redemption. Each choice we make shapes our future, and some decisions may lead us down paths we later regret, such as involvement in adultery. However, even in the midst of such mistakes, there is always room for change and growth. For many, this growth comes in the form of conversion to Christianity, a transformation that brings about a renewed sense of purpose and direction.

However, this conversion also brings with it a host of challenging questions about how to approach past relationships. Particularly, it raises questions about the responsibilities towards children born outside of wedlock. It's a complex issue, one that requires grace, humility, and wisdom to navigate properly. This piece aims to provide guidance rooted in Christian teachings to help individuals navigate these complexities.

## Repentance and Forgiveness

The first and perhaps most crucial step towards healing and reconciliation is repentance. This process is deeply personal and involves a sincere acknowledgement and regret of past actions. The Bible, in Acts 3:19, offers guidance on this, encouraging us to "Repent, then, and turn to God, so that your sins may be wiped out." This repentance involves more than just a simple admission of past wrongs—it requires genuine sorrow for past actions and a firm commitment to avoid such actions in the future. After repentance comes forgiveness. This process begins with seeking forgiveness from God, who is always ready to forgive us if we sincerely repent. But it doesn't stop there. It's also important to seek forgiveness from those who have been hurt by your actions. This can be a difficult process, but it's a necessary one. [Romans 12:18](#) reminds us of God's will for our lives, "*If it is possible, as far as it depends on you, live at peace with everyone.*"

## Witnessing Your Transformation

One of the beautiful aspects of conversion is the opportunity it presents for witnessing. Your transformation can serve as a testimony to the transformative power of God's grace and mercy. You should not be ashamed to be a witness to those who knew of your past actions, demonstrating through your changed life the goodness of salvation and your solemn decision not to return to your past ways. This act of witnessing can be a powerful tool for evangelism, and it also serves as a daily reminder of your commitment to your new path.

## Responsibility Towards Children

Children born out of wedlock, like all children, are innocent and deserve love, care, and support from both parents. As a converted Christian, it becomes your responsibility to provide for them, regardless of the circumstances of their birth. If the children are being raised by your former partner, it's important to offer support in any way possible. This includes not only financial support but also emotional support, and when possible, active involvement in the children's lives. Remember, [Proverbs 22:6](#) instructs us to "*Train up a child in the way he should go: and when he is old, he will not depart from it.*" This training involves not only moral and spiritual guidance but also emotional and financial support.

## Dealing with Former Partners

Approaching former partners, especially when they have moved on to new relationships, requires a great deal of sensitivity and respect. It's important to respect their current situation and not behave in a way that could be seen as offensive or intrusive. Your focus should be on making peace, fulfilling your responsibilities, and fostering a healthy environment for your children. However, be cautious not to fall into the same trap of adultery as you interact with them. As stated in [1 Corinthians 10:12](#), "So, if you think you are standing firm, be careful that you don't fall."

## Relying on the Guidance of the Holy Spirit

As you navigate your new path, it's crucial to rely on the guidance of the Holy Spirit. The Holy Spirit serves as our counselor, guiding us and helping us make decisions that align with God's will for our lives. In every decision you make and in every relationship you navigate, always seek the guidance of the Holy Spirit.

## Conclusion

Embarking on a Christian journey after adultery comes with its unique set of challenges. It's a journey that requires a lot of courage, humility, and faith. However, the Bible offers guidance to help navigate these challenges. It requires repentance, forgiveness, taking responsibility, and maintaining respect for former partners and their new relationships. In all of this, it's important to remember that this journey is one of transformation, a journey of grace. And as [Romans 8:1](#) reminds us, "*There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit.*" With faith and guidance, you can navigate the complexities of past relationships and responsibilities, and move forward in grace and peace.
